Dear Coroner,

DR DAVID KELLY - DECEASED

I wonder if I can trespass on your patience one more time.

After Lord Falconer had ordered that the inquest proceedings into the death of Dr Kelly be removed to the Hutton Inquiry you wrote to the Ministry of Justice to seek permission to take further evidence from Dr Hunt. You wrote:

"The preliminary cause of death given at the opening of the Inquest no longer represents the view of the pathologist and evidence from him would need to be given to correct and update the evidence already received."

Are you able to provide any information on how the pathologist's view changed and in what regard? I have also written to Dr Hunt to seek clarification.

*Yours sincerely,
Kevin McGinty*
